**Meeting Street Schools** <http://www.meetingstreetschools.org/>

In America, the promise of public education was to provide equal access to quality education for all children. The reality is this promise has been broken for several decades. Sadly, the very children most in need of the stepping stone a great education offers are those that have the most limited educational opportunities. Far too many children are REQUIRED to attend a failing school simply by virtue of the neighborhood into which they are born, with no other option. This is where Meeting Street Schools steps in. Our vision is to prove what is possible for all students in South Carolina and to fundamentally alter expectations for educators and students working in schools that serve under-resourced communities. Our focus is on schools because we believe that educational opportunity is the gateway for economic and personal achievement. **Hiring for:** TBD
