Contact Name: Erin O. Halford, 843.953.5692, [odeae@cofc.edu](mailto:odeae@cofc.edu)

### Details

You must apply and be selected to participate.

All years and all majors are welcome to participate. Juniors highly encouraged to apply.

### Ideas

Have an idea that could change the world or the way in which we live? Your idea should be either a solution to an existing problem or some type of technical innovation. While BAH provides high-tech, cyber-focused services to government agencies and branches of our military, please do not limit the scope of your idea to these services. This creative exercise is to assess your ability to think critically and develop a new, outside-of-the-box idea.

### Application Requirements

- Draft a one to two paragraph overview of your idea and/or a short video presenting your idea and email it to [careercenter@cofc.edu](mailto:careercenter@cofc.edu), along with a copy of your resume, by **midnight on Tuesday, February 13, 2018**.
- You will be contacted by the Career Center to schedule an appointment to have your resume reviewed and to refine your pitch.
- Submit your final resume and pitch overview (paragraph/video format) by **midnight on Sunday, February 18** to [careercenter@cofc.edu](mailto:careercenter@cofc.edu).
- Your idea will be forwarded to BAH for review on Monday, February 19.

### If Selected

You will be notified of your acceptance by 5pm on Friday, February 23. If selected, you will be invited to participate in **"Step Up to the Mic" on February 28, 2018 between 4pm-7pm** during which you will present a five-minute oral pitch of your idea to BAH representatives. There will be a Q & A follow-up with the BAH representatives immediately following your pitch. Dress to impress.

### Considerations

Through "Step Up to the Mic," BAH is seeking to find top college talent to join its workforce. Those selected to participate in the "Step Up to the Mic" will be invited to interview for BAH's competitive 2018 Summer Internship program. This internship is 10 weeks long and the pay is highly competitive. It is important to note that over 70% of BAH's Summer 2017 interns were offered full-time positions upon graduating.

"Step Up to the Mic" is open to all students, but internships and employment with BAH are only open to domestic students. Before applying, research BAH to learn about this employer and the work they provide their clients. [www.boozallen.com](http://www.boozallen.com)
