ScanSource, Inc. www.scansource.com

The Google of Greenville! ScanSource, Inc. is an international distributor of specialty technology products, such as point-of-sale systems, barcode scanners, mobility products, video and audio conferencing solutions, access control equipment and video surveillance solutions. While ScanSource does not manufacture these products, we provide a distribution channel for manufacturers to sell their products to value-added resellers. ScanSource offers thousands of products to our reseller partners. Since our inception in 1992, we have been committed to only selling to resellers, never to end users, ensuring we are always a partner to our reseller customers, never a competitor. While some may assume the distributor is a middleman who drives costs up for the channel, the opposite is true at ScanSource. We take on many of the services and programs that the manufacturer or reseller would have had to manage themselves, such as marketing and warehousing for the manufacturer, and technical support, education, training, professional services and financing for the reseller, among many others. **Hiring for:** Inside Sales, Account Analyst, Product Manager

Scientific Research Corporation www.scires.com

Scientific Research Corporation was founded in 1988 to provide innovative solutions to the U.S. Government, private industry, and international markets.
